We recently converted our membership database system. In response to member feedback, we have compiled this resource to help navigate some of the most common functions in the database. While not a complete user’s guide, it is intended to provide clarity about updating profiles, adding eligible students to troupe rosters, inducting eligible students, and allowing for new troupes to be chartered. This handbook will be updated frequently as new functions are available.

Please contact us directly at our Membership Services Center with questions about this guide or if other errors occur. We can be reached at members@schooltheatre.org.

GETTING STARTED

To help navigate the new system, here are a few tips to get started:

- **Community Hub**: This is the area of the membership portal to conduct transactional business related to membership, troupe, and organizations. Formerly known as the “Troupe Business” page.

- **Personal Snapshot**: This is a personal dashboard to connect to Community Hub. Please bookmark the following link for quick access: [https://myedta.schooltheatre.org](https://myedta.schooltheatre.org). You can also access Community Hub and your Personal Snapshot by clicking the Sign In button at the top right corner of schooltheatre.org, logging in, and then clicking My Account next to your profile avatar at the top right corner of the page.

- **To view the roster of active Thespians / Junior Thespians** for your troupe, click on the Troupe Roster button on the left-hand menu bar from your Personal Snapshot page. If you do not see this button, please email members@schooltheatre.org.

- **To add eligible students to your roster for induction**, 1) click on the Import Inductee Roster button from your Personal Snapshot page to upload multiple student records or 2) click on the Thespian Society Induction button from your Personal Snapshot page, then follow the steps in the process until you reach the Create New Student Account checkbox. Use this to create student accounts one-by-one. When you return to the process to finalize your inductions, use the search function to find previously created records.

- **To induct Thespians / Junior Thespians / Honorary Thespians**, click on the Thespian Society Induction button from your Personal Snapshot page, then follow the steps in the process.

- **To transfer students between troupes**, please continue to use the [Transfer Student Membership form](https://myedta.schooltheatre.org).

- **Change of Troupe Director forms and to Activate a Troupe**, click the respective buttons from the Personal Snapshot page.

The EdTA Store has also been upgraded; we recommend reading the [Guide to Ordering Thespian Regalia](https://myedta.schooltheatre.org) before placing your order.

- **Spirit and honor items and graduation regalia** are available for purchase in the Thespian Shop.

- **Trophy Awards** can be purchased by [clicking here](https://myedta.schooltheatre.org).

1. From your Personal Snapshot, locate and click the Import inductee Roster link in the left-hand navigation menu:

2. Once the page loads, read the special notes in the box at the top of the page.

3. Download the roster template.

4. Open the downloaded .csv template file and delete row 2 which is a sample.

5. Update the template to include the required information for each of your students.
6. Once complete, save the .csv file locally to your computer.

7. Return to the Import Inductee Roster page and upload your file:

8. When the name of your file is listed, click Upload.

9. Once uploaded, check for the confirmation message.
   o If the upload was successful, you’ll see the following message. Student accounts will
     be available for induction the following day. Please refer to Thespian Society
     Induction instructions (see next section of this document) when you are ready to
     induct.
If the upload was unsuccessful, you’ll see an error message below the file name (see example). Make corrections to your roster based on the error message. If you continue to encounter errors, email members@schooltheatre.org and include the exact roster you uploaded and a screenshot of the error message. This will allow the Membership Team to troubleshoot. (Error messages will vary.)

**Thespian Society Induction**

From your Personal Snapshot, locate and click the Thespian Society Induction link in the left-hand navigation menu:  

The next page will prompt you to select the type of Thespian(s) you are inducting based on current grade level. (If you need to induct more than one type of Thespian, you will have a chance to do so)
After making your selection and clicking Next, you will be prompted either to create new student records, search for existing eligible records, or both. Please note: If you need to create new records, you should create all of those records first. Once all records have been created, use the search function to add each record to your induction list.

After you search and add each student to your induction list, the student will appear as follows. Click Next to proceed.
The next page will provide you the opportunity to induct more students. Selecting Yes and then clicking next will take you back to the Thespian type selection page. Selecting No will allow you to either proceed to checkout or add students of a different membership type (Thespian / Junior Thespian / Honorary Thespian).

Next, you will be prompted to select your preferred method of payment and then proceed.

Based on the method selected, use the following information to finalize the inductions:

- Pay Now – Credit Card: Payment information will be entered directly into the online platform, and the official order will be generated.
- Pay Later – Purchase Order: An approved purchase order number should be entered directly into the website, and the official order will be generated. We no longer require submission of purchase orders via fax or email.
- Pay Later – Check: Type the word “Check” into the Purchase Order Number field and submit the order. The order will be finalized once payment is received and applied. A copy of the invoice can be located via the My Orders link in the left-hand navigation bar.
